Twelve long years!
Now they're gone . . .
All the joy and sadness.
Of course not all of us make it,
God gets lonely too,
So some are taken because
They're extra special.
We've had some good and bad times,
But now we're on our own,
We won't be ignored,
We've only just begun . . .

Aree points to her home town of Amphur Kuchinarai, Thailand, as her host sister, Betsy, looks on.

Betsy counsels Aree in the hall as she did so many times throughout the year.

MEET AREE CHERTCHAI

For Aree, Christmas in the United States was a new and exciting experience!

They say good things come in small packages, and Dallastown's sixth exchange student, Aree Chertchai, was no exception. Aree comes from the fabled land of Siam, present-day Thailand. The United States impressed Aree in many ways, especially the fast life and the multitude of cars. In Thailand, Aree was used to riding a bicycle or going on foot. Under the auspices of American Field Service, Aree lives with the Bahn family. Her sister, Betsy, is also a member of the Class of 1971. When she returns to Thailand, Aree will resume schooling to be a schoolteacher. Best of luck, Aree. Dallastown will miss you!

Aree took a variety of subjects ranging from Problems of Democracy to Typing.

Even the low lockers were too high for our four-ten Thai!

Can you imagine never seeing snow in your whole life? If you can, then you know how Aree felt when we had our first snow.

FOREIGN EXCHANGE

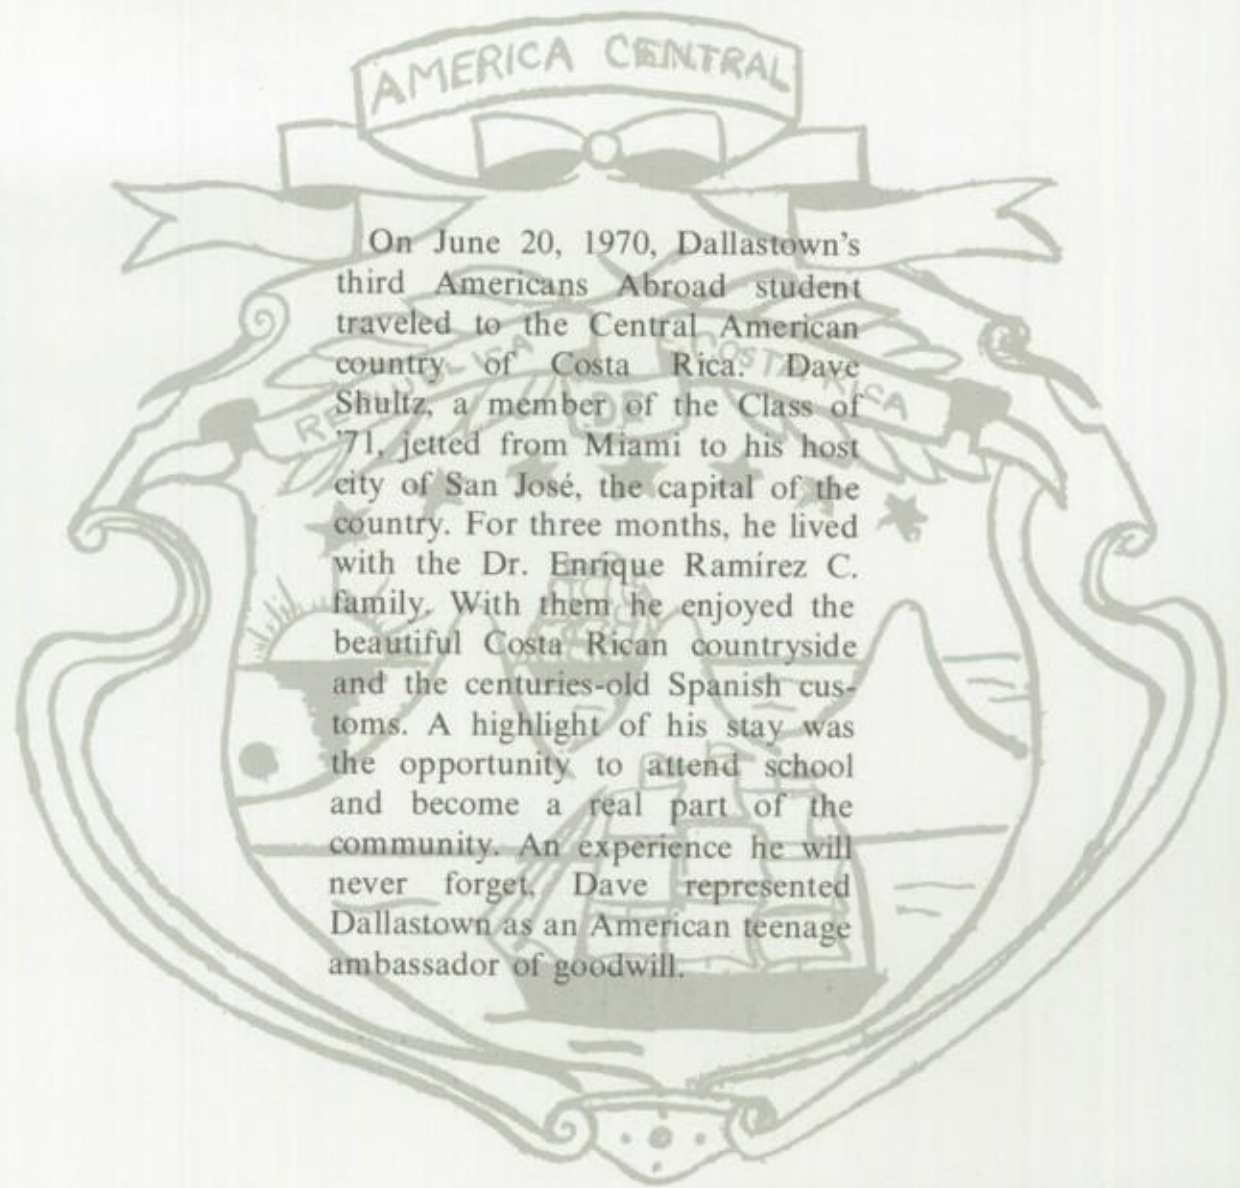

Aree begins to feel at home at Dallastown.

AMERICANS ABROAD

DAVID SHULTZ

On June 20, 1970, Dallastown's third Americans Abroad student traveled to the Central American country of Costa Rica. Dave Shultz, a member of the Class of '71, jetted from Miami to his host city of San José, the capital of the country. For three months, he lived with the Dr. Enrique Ramírez C. family. With them he enjoyed the beautiful Costa Rican countryside and the centuries-old Spanish customs. A highlight of his stay was the opportunity to attend school and become a real part of the community. An experience he will never forget. Dave represented Dallastown as an American teenage ambassador of goodwill.

A very typical sight, a shoeless farmer walks with his painted oxcart carrying bananas to market.

“THE PRIDE OF PENNSYLVANIA”: D-TOWN’S BAND ENTERTAINS COLT FANS IN BALTIMORE

For the first time in Dallastown’s history, the band and band front performed for close to 50,000 fans in Baltimore’s Memorial Stadium. The scene was the Baltimore Colts — Philadelphia Eagles professional football game on December 6, 1970. Nationally televised, the band certainly lived up to its motto as the “Pride of Pennsylvania!”

On the nights of November 19 and 21, the curtain rose on the Class of 1971's production of "Pioneer Go Home!" The comedy starred Steve Smith, Dave Shultz, Sue Stabley, Ann Fuhr, and Sharon Trimble as the zany Kwimper family who settled on government property. Steve McLaughlin acted as the government official who screamed at these modern-day pioneers to go home!

Oh---! What's my next line?

This year's varsity football team had a tough time following up last year's championship season. The team showed a lot of spirit and played hard, but the breaks needed for big wins never came. However, we're still proud of our varsity gridmen and their very fine season.

The junior Wildcat gridmen had a very successful season and maintained the winning tradition at Dallastown. The boys never gave up and played very well as a team, although a little more effort may have produced a championship. With their constant improvement, Dallastown can look for a strong varsity team in the future.

Under the direction of their new coach, Wayne Neff, the members of last year's junior high track team started their season with an exciting victory over York Suburban. In spite of this good beginning, the team failed to overcome its remaining opponents, finishing with five losses and only one win. Even though they failed to retain the county championship, the team members gained valuable experience for future meets as senior high trackmen.

The Dallastown Area School board consists of nine members elected by the voters of our district to govern their school. These nine people hire the administration staff and make all the policies of our school. The administration is then given the job of enforcing the policies of the school board, and providing the student body with an education.

Although the student body does not always agree with, or see the merit of their decisions, they abide by them, knowing the board represents the entire community.
